

ARIES SOLAR FULL MOON 7-Day RITUAL – DAY 5

MEDITATION ◊ CONTEMPLATION ◊ DIAMOND SOUL PRACTICES

In Service of the Christ, Flowering the Soul of Humanity and Manifestation of the Plan

Angel of Aries

DAYS OF REGISTRATION AND DISTRIBUTION

Subtle expansions in consciousness during Full Moon times create changes in perception to 'see', 'sense' and experience new qualities, strengths and powers of the unfolding Soul. Subtle Aries energy continues to *distribute* as further gains in unfolding the "new Mind of Christ" are made. **Let us remember that the true "Mind of Christ" refers to the triune Soul nature of higher Mind, higher Love and higher Will.**

A SIMPLE OPENING RITUAL

We begin by entering Sacred Time – no past, no future, only NOW
As a Soul, we enter Sacred Space – Soul Space
Lighting Light – warming the heart, lighting the mind...
Sounding a bell tone ... Summoning the Angels ...
The sound of sacred music flowing through us ...
We move into the Soul Field where great Angels and Masters Walk

OM

OPENING ALIGNMENT MEDITATION

◇ Remembering “the Breath is the Life pouring through all the centers”, we step into the Peace and Presence of the Soul ... and the wider Soul field, sounding the sacred Word, OM.

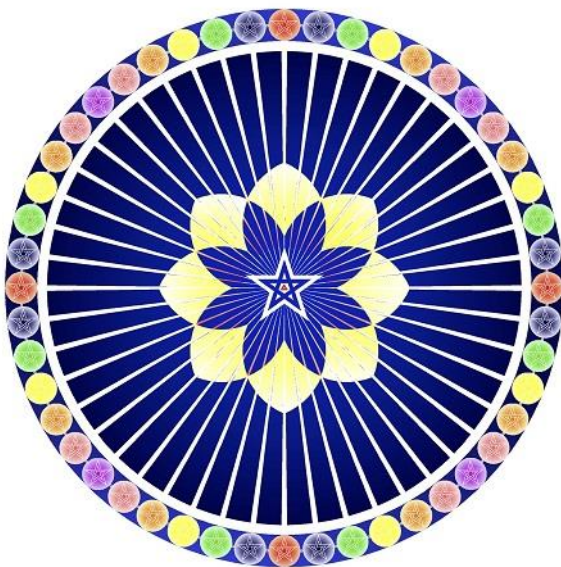

With intensified “spiritual aspiration”, we reach higher into the Light of the Soul, breathing in atoms of higher vibration whilst silently sounding the Sacred WORD, OM ... flowing through the subtle bodies ... and environment, near, far and wide.

◇ Remembering “the Breath is the Life pouring through all the centers”, we stand in the *Glory and Beauty of the Cosmos* as the energy of Aries pours through “the Heart of the Sun” ... and Divine Mother Substance. Let us move into *That space ... the Great Breath Breathing us – giving of Itself ... It’s Life ... luminous Light ... and Universal Love pouring through the Heart of God ... to us through the Chalice of the Crown.* OM
“God is Love”... is our planetary keynote.” (R&I, 726)

◇ We attune now and welcome the Solar Angel ... and Angel of Aries governing the 1st petal of the “Heart in the Crown Lotus”. Pause ... consciously opening to deepen our alignment with the Angels for ‘energy adjustments’ ... and that which is needed from on High. OM

THE SOUL IS GROUP CONSCIOUS

◇ In this solar field of Aries, as conscious Souls, we expand into the prepared loving field of the Soul Star Group. ◇ In one movement, let us extend Soul Light – *One to All – and All to One* – creating a living, radiantly vibrant field of Lighted Love and unified vibration. OM

◇ Now as One, we come into resonance with the greater “GROUP of Groups” (the Ashram of the Christ) that is the Spiritual Hierarchy in whose Center stands the **felt Presence of the Christ**. We extend our Love to Him and pause in the auric radiance of His holy Field ... absorbing emanating vibrations pouring forth. OM

◇ As a group, we now pause in *the Presence and power* of the synthetic energy Field of “the great Potency of the Inner Groups” ... calling to mind and linking with Groups we know.

Through these inclusive, unifying group alignments, with the inner eye of the Soul energy lines and waves of light can be seen linking all Soul Groups **vibrating in resonance** with the **Greater Group** of Groups. ◇ **Together, as ONE, we sound the Great Invocation with the Christ Blessing all Humanity and all the Earth.**

REGISTERING CONTACT and DISTRIBUTION

The Master DK informs us that every full moon period is an opportunity to *begin anew* – the old is left behind and drops away as the new eclipses the old, especially in the *initiating energy of Aries*. We consciously re-enter (focus upon) the *Full Moon field to call to mind what was registered or experienced*.

Engaging in a reflective review process also assists in the energy distribution and reinforces what is *happening* below the threshold of awareness. Listen as a Soul for clarity.

In these three days of distribution following the Full Moon Day, we further “reveal” that which was received distributing Aries energy through the Soul and Its instrument (the 3-fold personality vehicle). The more subtle effects of “inner distribution” continue, calling for *conscious registration*.

As we are aware of these registrations, we assist building the bridge betwixt higher and lower Consciousness. Awareness – Consciousness – Antahkarana are synonymous terms as we actively build the bridge to the Soul on its own plane.

In this Light, continue to ‘listen for impression’ as new energy and intuitions “drop into” heart-mind and our etheric system “*flowering Soul Consciousness*” – unfolding soul powers.

REFLECTIONS for Day Five – The first day after the FM

- ◇ What “happened” of moment that should be brought back “to mind”?
- ◇ Ultimately, Aries is the energy of Resurrection. What is being resurrected through you?
- ◇ As the New Mind of Christ unfolds (in us), we ‘*perceive anew*’. What new has arisen, is rising, in your thought-life? What new rising is ‘*perceived anew*’?
- ◇ Aries is new beginnings. Is something new “initiating” in you? Through you? For you?
- ◇ Is something new being initiated in the Group? In the world? In Humanity?
- ◇ Is something ‘old’ perceived anew or differently, seen more comprehensively or whole?
- ◇ Is something being reinforced? Reflect.
- ◇ What is gaining strength?
- ◇ What new meaning, understanding or significance is clear now, present now?

◇ Find a way to link the insights from your reflections into fluid dynamic statements ... *Look for a new Soul story emerging.* Clothing thoughts and images into word phrases give shape and form for application in daily living. ◇ The Soul asks the personality: See how this new Soul story *lifts, inspires and sustains you in the higher vibration.* Reflect.

◇ Be cognizant today (and in the days that follow) of all that comes into your field of awareness – arising or unfolding *in you, around you, in the world – as the living universe speaks through symbols for Soul eyes to see and Soul ears to hear.*

◇ What is deepening or coming more fully to light as a result of your ‘living disciplines’?

⊙

Aries, a fire sign, brings us the fire of spiritual power to initiate and manifest new conditions (creative expressions through the transmitting power of Uranus). Aries manifests or expresses the “Thought of God” which is “the will-to-create that which is the “will-to-good” (good for All) – *GOD’s Purpose expressed in the matrix of Love.* **Allow the potency and truth of these Thoughts to penetrate and condition your perception – setting hope, expectancy and realization on fire.**

As the energies we receive flow through us, we extend that which we have contacted into the world for a new mode of living and Being. We begin with ourselves on this day and extend to our groups and environment wherever need arises. Such is the spontaneous outflow of the regenerative forces of the Soul.

On this note ... *As the Soul Star Group,* we turn to face the world – extending the Soul Power of “the will-to-create that which is the “will-to-good”

To the EARTH and to All SOULS of HUMANITY.

Using the Creative Imagination -

*We stand with the Christ and Spiritual Hierarchy Blessing Humanity,
Giving forth Resurrecting energy of “The Will of God in the Matrix of Love”*

And the “Christ in You”

for the full flowering of Humanity upon the Earth for One and All.

~ We come forth and from the plane of Mind we rule ~
