

AQUARIUS 7-DAY SOLAR FULL MOON RITUAL

MEDITATION ◇ CONTEMPLATION ◇ DIAMOND SOUL PRACTICES

In Service of the Christ for the Full Flowering of the Soul of Humanity and the Plan

DAY SIX - SECOND DAY OF ASSIMILATION AND DISTRIBUTION

Let us remember the blessings we have received. Let us Give attention to the *inner evolving Mind of Christ* – ‘Let that Mind be in you that was in Christ Jesus’, said St. Paul. Let us remember that the “Mind of Christ” opens the door to the Triune Soul – pure Mind, higher Love and the Will of the Father.

RITUAL PREPARATION: Opening Alignment and Meditation

◇ Remembering “the Breath is the Life pouring through all the centers”, attuned to the Great Chain of Being, let us breathe conscious Breaths of Life in the energy of Aquarius flowing through “the Heart of the Sun–The Son of Divine Love”. ◇ Standing now in the Beauty and power of the Cosmos, move into *That place* and space where the **Great Breath is Breathing you, as Life flows through all the Centers, thence returning Whence it came in a great fountain of spiritual blessing.** ◇ OM

◇ With a conscious breath of Life, we enter now more fully into the peaceful Presence of the Soul. As the Soul, sound forth the sacred **WORD, OM**, loosening and discarding atoms of lower vibration in the personality field, and environment, far and wide.

Thence, with intensified “spiritual aspiration”, reach high into the Light of the Soul ... and sounding the Sacred **WORD, OM**, drawing in atoms of high vibration into the mind-brain and subtle bodies. OM

◇ Attune now and come *en rapport with the Solar Angel and Angel of Aquarius* governing the 11th petal of the “Heart in the Crown” of the Thousand-petaled Lotus. Consciously deepen your attunement with Them allowing Them to stimulate and/or make needed ‘energy adjustments’ to our subtle body centers in cooperative interplay. ◇ Sounding a silent OM, allow gratitude (great-fullness) to flow to our Angel(s) and the Angelic Kingdom for Their work with us.

OM

THE SOUL IS GROUP CONSCIOUS

◇ As conscious Souls, we move deeper into the prepared field of the Soul Star Group ... extending Soul Light and Love *One to All and All to One*, creating a living field of radiant Light and Love in unified Group vibration. OM

◇ **Now as One**, let us come into closer resonance with the greater GROUP of Groups in whose Center stands the Christ. We pause in the Presence and wonder of this Holy Field ... absorbing the all-pervading Love and Power pouring forth from the Christ – ‘setting things right’ – in you, in us, in the world. OM

◇ Pause to *feel into* the living, pulsing, beating Heart of the Soul Star Group... a Sphere of luminous Soul Light, Soul essence and group

Soul potency blessed by the living Presence of the Christ.

◇ Let us be mind-full of the millions of meditators and Groups active world wide during this Full Moon time drawing upon the higher life energies of Aquarius streaming through Mother Matter, circulating and cleansing form life. As Soul fields in all departments of human living grow, manifesting the purpose and potential of the Soul of Humanity for outworking the Plan of God proceeds apace.

With these thoughts and energies in heart and mind, together as One Group, let us Sound the Great Invocation in Aquarian light – blessing and strengthening the Soul of Humanity and all the Earth as the living waters of Aquarius flow through All.

◇ *Let us Be* affirmed in the Master’s words of the “**joy of participation in the Masters' plans**” knowing that “**all is well that associates you closely with Them.**” (TWM, 368/9)

– DAY SIX –

REGISTERING CONTACT and REFLECTION

In the group Light of Aquarius, we shall continue 'listening for impressions' and intuitions that *"flower TRUE SOUL Consciousness."*

We continue distributing the cleansing, healing rays until the dark is gone.

"AQUARIUS IS THE "LIGHT THAT SHINES ON EARTH, ACROSS THE SEA. THIS IS THE LIGHT WHICH EVER SHINES WITHIN THE DARK AND CLEANSING WITH ITS HEALING RAYS THAT WHICH MUST BE PURIFIED UNTIL THE DARK HAS GONE". (EA, 330)

CONTEMPLATIONS / DIAMOND SOUL PRACTICES

“In Aquarius, the man awakens to **the beauty of group life, group interest and his individual responsibility toward the group** and begins to **live his life** and to **spend himself in the service of humanity.**” (Esoteric Astrology, 145). PAUSE to reflect.

Beauty is a factor for creating a vibrational soul field within which the soul can flourish. Consider “beauty” as essential to flowering the Group Soul. Consider expressing beauty – such as the beauty of seeing the Soul in another, the beauty of sensitivity, the beauty of joyful interplay. ◇ Express beauty today.

Let us consider how we awaken to the beauty of group life.

◇ The Mind of Christ can move inside a group. From the vantage point of the Soul, we want to see, know and understand the “beauty of group life” –PAUSE to consider. Bring the sacred energy of Beauty into the present now ... recall a *time, a moment*, an incident, situation, a process or condition that *opened the door to “beauty” and the “beauty of group life”* –PAUSE. How did it change group awareness – group sensitivity, the group’s feeling state -- group perspective – group purpose – group interaction? Ask to be taken into the ‘great beauty’ of group life.

– Ponder this in the light of Love.

◇ One of the Angelic gifts of the eleventh petal is to awaken us further into the essence of group life. Ask to be shown what this looks like. What it could be like? Ask to be shown what is possible. – Visualize your group’s revival this way.

– Consider ‘group interest’ and ‘individual responsibility to the group’.

Would seeing yourself as responsible to the group change how you are with the group? Would it change how you feel about your group, and how the group relates to you?

Do you see how easy this could be? Would your group life be uplifted?

– What would you ‘see coming’ into greater expression in your group?

◇

WATERS OF LIFE ~ WATERS OF LOVE

“In Aquarius, Christ put His disciples in touch with the "man, bearing a pitcher of water," Aquarius, and in the upper room introduced them to union and unity under the symbolism of the communion feast. For that feast, humanity is today preparing..." (EA, 167/8)

The Love of God expressing through the Christ exemplified unity, true communion and brotherhood.

◇ Experiential Visualization. Let us Be in, let us resonate with “the upper room” where the Christ sat with His Disciples, greatly expanded today. *Place ourselves, see ourselves there.* Feel the potency of the sacred atmosphere ... As words are used, the quality of conversation is purposeful and deep ... sincerity of thought ... a deep feeling of caring is present, the heart, filled full with Love in the silent power of the *Soul speaks in sacred communion* – the field of love engenders ‘telepathic rapport’ ... *every spoken word* conveys Truth and unalterable Goodness ... In the sacred atmosphere of *Divine Love, we are transformed.* MOVE IN, BE IN – CONTEMPLATE

In this holy communion field – *what fires play through you now? What is inspired as the Christ Spirit flows through the group? – Knowing no dark energy, nothing can interfere, disturb, damage or break the living presence of the Christ in the group – only the power of Livingness is here – only the True. Whole and Real does the power of Shambhala stand behind the Christ. Communion with the Christ, linked to the Will of God, is the all-*

pervading union found in higher Livingness. Variability is not in play. Only that which is True – Is. Christ, lifted into the Life of Shamballa, knows the Will of the Father.

◇ We are told that ‘Christ works through every group dedicated to service and the distribution of Love for the manifestation of the Plan’. (See EOH, 604)

Let us recognize ourselves as leaders and members of such group(s). Sense the Christ energy flowing through the group and all its members *as if a sacred fire is moving through it “changing everything”*.

How would our life be affected, *really changed*, with this direct inflow?
We can call upon It – to be *made new*.

◇ Praise all leadership for this way of being in the world. Emulate leaders who build Unity, knowing the impact they will have in the world today – healing, uplifting, guiding, evolving, affirming ... *Does this bring you heart?*

◇ Consider with whom you currently commune ‘in like spirit’? Acknowledge your *good fortune* to be in their “good company” of “common union” and unity. What is asked of you as a Soul?

◇ Be inspired by the knowledge and awareness that there are Groups and Leaders who currently exist living the spirit of Aquarian common union, expressing ideals of Universality, inclusion and brotherhood. ◇ Let us look for such present day examples. Recognize envisioned dreams raised to the foreground of awareness as precursors to the joys of common union. All are signs of Humanity *leaning forward into Aquarius*. As we review *this aspect of the Light of Aquarius*, group life is *stimulated anew*.

Sitting among the great Round Table of the Christ, let us affirm the heightened vibration rising from this Day’s work, as we sound the Sacred WORD, OM.

†

Let us then sound the **Affirmation of the Disciple** (below) whilst consciously immersed in the clarifying, cleansing, life-giving Waters of Love and Life in Aquarius.

– Using the pronoun “We” we merge our identity with the Group Soul and visualize Aquarian energy flowing through the Soul of Humanity, our Soul groups and the ‘Souls’ in them ~

THE AFFIRMATION OF THE DISCIPLE

“We” are a point of light within a greater Light.

“We” are a strand of loving energy within the stream of Love Divine.

“We” are a point of sacrificial Fire, focused within the fiery Will of God.

And thus “We” Stand.

“We” are a Way by which men may achieve.

“We” are a Source of Strength, enabling them to stand.

“We” are a beam of Light, shining upon their way.

And thus “We” Stand.

And Standing thus revolve,

And tread this Way the ways of men,

And know the Ways of God.

And thus “We” Stand.

~OM~

Even now Humanity is standing in the radiant *Light of an Aquarian Day rising ~*

Blessing the field within which we are walking, loving and serving.

(The Affirmation of the Disciple comes from “words and phrases ... so ancient that they antedate both Sanskrit and Senza. But the meaning is clear and that is the point of importance”).
