

*BRIDGE OF GLORY (Nicholas Roerich)*

**DEAR FRIENDS UPON THE LIGHTED WAY OF THE SOUL,**

Warm Greetings to one and all as the Seven-Day *Solar* Full Moon ritual in Pisces/Virgo is about to begin – Wednesday in the northern hemisphere (and Thursday in the southern). **Full Moon Day peaks on February 24, 2024** at 12:30 pm UTC / 4:30 am PST / 7:30 am EST.

Every Full and New Moon period presents the joyous opportunity to come together in common unity to be and work in “Group Approach to Divinity.” Pisces is the “Light of the World” that “forever ends the darkness of matter.” It consummates, it ends and prepares the way for a new cycle.

In the Sign Pisces, synthesis is most prominent as Pisces draws upon all the other signs of the zodiac into one great consummation of energies:

“In this sign the work is consummated and the will of the Father works out through the second ray Will as the will-to-save. ... In Pisces, you have the consummation of the work of that which the matter aspect has made possible, and the Christ emerges as the world savior.” EA, 627/8

During these seven days, in “expectation deep” we come *en rapport* with the Great Ones – the Spiritual Elders and Hierarchy of our planet Who, as One Body, create a great reservoir of energy known as “the great potency of the inner Groups”. Monthly solar/planetary rituals such as these will in due time constitute the rituals of the new world religion for Humanity’s spiritual approach to Divinity.

All the world needs the beneficent and purifying energies flowing through Pisces now. The Saving Force that the Christ brought in times of old continues to flow to us as a great “relaying channel” of Grace flows through the Solar System and Planetary Christ.

All who have been consciously working to prepare for a new infusion of higher energy sense the opportunity. And all who serve under the impress of the Will-to-Love are under stimulation at this time. Who are they? Are they among us? Are we among them? They are found among servers and serving groups in Humanity, in all walks of life and all departments of human living – known and unknown, working for the greater Good, and preparing the Way.

The key words in the above phrase are “among us” – the greatest “walking humbly with their God” – a phrase used by the Knowers with deep, unexpected meaning. Wherever they direct their focus, they love, they lift, they save, they organize, they beautify, they perfect, they bring in the new.

Pisces’ ruling planets and specific Ray energies are stimulating specific Soul powers at this time. Exoteric ruler Jupiter, a Second Ray planet, expresses Love-Wisdom through purified channels. Pluto, a First Ray planet, serves as esoteric and hierarchical ruler, lifting to surface, purging, destroying and removing obstacles that stand in the Way of the Plan. Neptune, primarily a Sixth Ray planet with secondary Second Ray energy, is powerfully present in the Being of the Christ as these cosmic currents pour through Him.
