

The following 18 “Blue Books” were authored by the Tibetan Master, Djwhal Khul (MDK) through His amanuensis, Alice A. Bailey. Alice Bailey herself authored 6 books (see both lists that follows). The discerning mind can distinguish those authored by the Master from those authored by the Disciple – by their energy, tone and/or depth.

The "Blue Books" can be purchased through Lucis Trust Publishing: www.LucisTrust.org
