

PISCES ✕ SOLAR FULL MOON RITUAL- Day Six

MEDITATION ◊ CONTEMPLATION ◊ DIAMOND SOUL PRACTICE In Service of the Christ for the Full Flowering of the Soul of Humanity and the Plan

(Image by Greg Felter)

On this second day of *conscious reception and distribution* of Pisces FM energy, our work is to ***extend and apply these energies as agents of the Saving Force in conformity with 'new modes of living and saving' that the Aquarian Christ and spiritual Hierarchy will surely demonstrate.*** The sorrow and agony of the cross in evolution is in process of transmutation, being replaced with joy, bliss and soul achievements hitherto unknown. We are in the very early stages of learning to live this way, and this for a long time to come.

If we are to move beyond a mental understanding of these terms and live them, we must continue penetrating the depths of the Soul.

“Life is brought into balance only through spiritual attainment. Spiritual ascent is the only way to individual attainment and to attainment of the Common Good.” Attainment is the result of “the will” affirming and acting in accord with the force of “Good” and “by unification of the will with the Higher Light”.

FIERY WORLD III, Sloka 247

‘Saving humanity’ is dependent upon humanity placing an emphasis upon unity with the world of the Soul that affirms basic spiritual principles, and humanity conforming with them.

There is but One Soul in All of Life – from the Infinite ... cosmic ... solar systemic ... planetary ... human ... sub-human sub-atomic ... infinitesimal. It is ALL ONE LIFE.

DIAMOND SOUL PRACTICE: UNITY and THE FORCE of GOOD Ending SEPARATION

Humanity is undergoing the pressures of purification. **The “destiny of nations are being weighed”**. Conforming to Unity and “the Good” presupposes an internal connection with the Soul that lays an emphasis upon spiritual realities. Choices and actions of separation dismantle unity, and prevent unity. **Let us daily affirm “We are One Humanity, Indivisible under God.”**

“... Those going with the Cosmic Magnet [LOVE] will stand before the Light of the Future, but those going against all the illumined beginnings will realize the full weight of Karma.”

Nation leaders who engender conformity with the universal law of “eternal Unity” are on the path of the Good. Nation leaders who choose to separate, do wrong, and war against their neighbors engender strife, pain, suffering and destruction, building a heavy debt of karma.

To violate conformity with the Law of Love “produces an effect in every direction. By placing the emphasis upon the visible world, humanity has rejected the Invisible worlds. Living in an external world has edged aside the inner strivings which intensify the spirit in its quest. The separation of the Worlds is thus affirmed by each act of man! The manifestation of disconnection penetrates all the foundations, and acts reciprocally, because negation is a confirmation of the force of destruction. ... The World trembles from the violation of the Foundations.” Reestablishment and unification is required. V246

“... An impetus toward spiritual attainment does not result in an accumulation of energies **if the will does not act** in affirmation with origins of Good. It was spoken with reason about the distorted mirror. Precisely **humanity distorts each great concept** in its **warped mirror**. **Purification of the consciousness and to the Teaching is the greatest problem of our time**. Thus, on the path to the Fiery World, **let us remember the necessity of restoring the equilibrium of vital concepts.**” V247

(Above quotes drawn from Fiery World-III; Verses 242/7)

“Let Our invocatory prayer Be” to Unify Humanity, and, Unify Humanity with Hierarchy.

“Let us Pray” that Humanity conform with the universal Principles and Laws of the Soul in order to Be an expressive Center of divine intelligence, unifying Love and dynamic Will.

Let us visualize currents of Light ... Love ... and Peace rising-up everywhere through the peoples of the Earth. Let us command that Good Will be a living demonstration in relationships all around the world.

We affirm the living current of the Saving Force flowing through all Humanity, thereby channeling the force of Spirit and conquering the evils of Darkness.

DIAMOND SOUL PRACTICE – The Way of Joy

Master DK illustrates *'the way of joy'* in the following excerpt from TWM that is beautifully and potently worthy of our emulation:

"To those who wrestle, strive, and hold on, the joy is doubled when the materialization comes [the joy of achievement]."

The **joy of contrast** will be yours, for knowing the past of darkness you will **revel in the light of fruition**;

The **joy of tried and tested companionship will be yours**, for years will have proved to you who are your chosen associates, and in community of suffering [*moving through challenges and tests together*] will come the strengthened link;

The **joy of peace after victory** will be yours, for to the tired warrior **the fruits of achievement and rest are doubly sweet**;

The **joy of participation in the Masters' plan** will be yours, and **all is well** that associates you closely with Them;

The **joy of having helped to solace a needy world, of having brought light to darkened souls, of having healed in some measure the open sore of the world's distress**, will be yours, and

In the consciousness of days well spent, and in the gratitude of salvaged souls, comes the deepest joy of all—the joy a Master knows when He is instrumental in lifting a brother up a little higher on the ladder.

This is the joy that is set before you all—and not so very far ahead it lies. So work, not for joy but towards it; not for reward, but from the inner need to help; not for gratitude, but from the urge that comes from having seen the vision and realization of the part you have to play in bringing that vision down to earth." (TWM - Treatise on White Magic, 368)

Let us Reflect upon *'the way of joy'* and trust that it will come.

◇ Creatively imagine the "new mode of Saving" and its potential impact upon the world.

New souls are coming in carrying new modes of joy and service. Sense the steady rising of Humanity and the power of a desired Future drawing closer.

◇ IN CLOSING, with the OM sounding True, vibrationally link with the SAVING FORCE flowing through us now ... all our groups ... the Soul of Humanity ... and in the world !

"The Soul" Is a Saving Force"

"Joy is the song that sings inside us when we open to these energies" (SH)
